PRIVACY POLICY

Version: 01.00 12 Sep 2017

Important Notice Regarding Your Privacy Rights

This privacy policy notice is designed to inform you of the types of nonpublic personal information ("Personal Information") EZE Ways, LLC. ("Company") may maintain or collect during the course of our relationship with you. It also explains the safeguards we have in place to protect that information and the circumstances under which we may share that information with other companies. This notice applies to both current and former customers.

If you choose to visit EZE Ways, LLC. your visit and any dispute over privacy is subject to this Notice and our Terms of Use, including limitations on damages, resolution of disputes, and application of the law of the State of Nevada. Our business changes constantly, and our Privacy Notice and the Terms of Use will change also. We may e-mail periodic reminders of our notices and conditions, but you should check Notifications sent to you on the FAST FORWARD App frequently to see recent changes. Unless stated otherwise, our current Privacy Notice applies to all information that we have about you and your account.

Why We Collect Personal Information

We collect Personal Information to identify you, confirm facts about you, deliver the current FAST FORWARD App to you, and to help us assess requests for Support as necessary to service your needs when using the FAST FORWARD App.

Personal Information We Maintain or Collect

The following are examples of the types of nonpublic personal information we maintain or collect:

- Information that you provide in connection with registration for use of the FAST FORWARD App such as: name, email address, telephone number, and other social network names and contact numbers.
- Information that records your use of the various features of the FAST FORWARD App.

Sharing of Personal Information

We do not share personal information with companies, organizations and individuals outside of EZE Ways, LLC. unless one of the following circumstances applies:

- **With your consent**

We will share personal information with companies, organizations or individuals outside of EZE Ways, LLC. when we have your consent to do so. We require opt-in consent for the sharing of any sensitive personal information.

- **With domain administrators**

Not Applicable

- **For external processing**

We provide personal information to our affiliates or other trusted businesses or persons to process it for us, based on our instructions and in compliance with our Privacy Policy and any other appropriate commercially reasonable and appropriate confidentiality and/or security measures.

- **For legal reasons**

We will share personal information with companies, organizations or individuals outside of EZE Ways, LLC. if we have a good-faith belief that access, use, preservation or disclosure of the information is reasonably necessary to:

- Meet any applicable law, regulation, legal process or enforceable governmental request.
- Enforce applicable Terms of Service, including investigation of potential violations.
- Detect, prevent, or otherwise address fraud, security or technical issues.
- Protect against harm to the rights, property or safety of EZE Ways, LLC., our users, distributors, partners, affiliates, or the public as required or permitted by law.

We may share non-personally identifiable information publicly and with our partners – like publishers, advertisers or connected sites. For example, we may share information publicly to show trends about the general use of our services.

If EXE Ways, LLC. is involved in a merger, acquisition or asset sale, we will continue to ensure the confidentiality of any personal information and give affected users notice before personal information is transferred or becomes subject to a different privacy policy.

Protection of Information and Security Procedures

We restrict access to Personal Information about you as a current or former User of the App to our employees or affiliates who need this information to provide continuing support to your account with us.

We maintain physical, electronic and procedural safeguards that comply with applicable federal and state standards to guard your Personal Information. For example, we use Secure Sockets Layer (SSL) technology supporting up to 128-bit encryption to prevent unauthorized parties from viewing any nonpublic personal information transmitted to or from us.

Privacy Notice - Online Supplement

This section describes our practices regarding information we receive about you during visits to the App. The amount and type of information we receive depends on how you use the App.

Please note that our App may provide links to third party sites not controlled by us. We suggest that you check the specific Privacy Notices of any site before providing any personally identifiable information.

Please be aware, however, that if you choose to have your personally identifiable information removed from our records, you will no longer be able to receive certain updated information from EZE Ways, LLC. or participate in various functions of the App.
